<b>ABF Freight</b>	Trust ArcBest® carrier ABF Freight® to transport your less-than-truckload (LTL) shipments safely and securely. Customer satisfaction is our number one priority, and we take pride in providing innovative transportation solutions through our industry-leading LTL services. No matter your needs, ABF® can deliver.	Carrier	National	LTL		Yes	Yes
<b>All Star Delivery</b>	We cover the entire US and Canada in Temp Controlled LTL Freight. However, we are not limited to LTL and provide the following services on daily basis to our customers: LTL, FLT, intermodal, and dedicated capacity for dry and temperature controlled.	Broker	National	Temp Controlled		Yes	Yes
<b>Allen Lund Company</b>	Allen Lund Company provides exceptional service throughout our nationwide network of offices to meet the needs of shippers and growers. We are capable of handling your most challenging loads.	Broker	National		Yes	Yes	Yes
<b>Best Bay Logistics Inc</b>	As the business grows, supply chains become more complicated. Accelerate your business by having a reliable logistics partner on your side. We have combined our experienced and driven team with the latest technology to create a seamless experience for our Shippers. Get end-to-end visibility, on-time performance and around the clock communication with competitive rates.	Broker	National			Yes	Yes
<b>Brew Movers</b>	Brew Movers brings years of expertise moving freight for the craft beverage industry to help solve your shipping needs. We provide the craft beverage industry's only white-glove shipping service specializing in beer, malt, hops, fruits, tanks, kegs, cans and equipment. Our trusted carrier network allows us to help new breweries get set up and established breweries grow their business.	Broker	National	Beverage	Yes	Yes	Yes
<b>C.H. Robinson</b>	C.H. Robinson solves logistics problems for companies across the globe and across industries, from the simple to the most complex. With \$21 billion in freight under management and 19 million shipments annually, we are one of the world's largest logistics platforms. With the combination of our multimodal transportation management system and expertise, we use our information advantage to deliver smarter solutions for our 105,000 customers and 73,000 contract carriers.	Broker	National			Yes	Yes
<b>Cargomatic</b>	From the moment goods enter a country through the moment they arrive at a customer's home, Cargomatic can manage every step of the journey. With drayage, intermodal, LTL, and white glove solutions, Cargomatic is equipped to handle all of the local shipments our clients need to have moved.	Broker	National		Yes	Yes	Yes
<b>CEVA Logistics</b>	With this in mind, our ambition is to make CEVA Logistics an undisputed world leading reference in the logistics industry. By doing what we do best, we enable businesses to grow and communities to thrive.	Broker	National	International		Yes	Yes
<b>Classic Truck Lines</b>	Classic truck lines offers a wide range of dry truckload services ranging from local, short haul, regional, and dedicated services with equipment specialized just for your needs. We create efficiency for our customers by maximizing load sizes and offering customized solutions for their transportation needs.	Carrier	Regional				Yes

<b>Coyote Logistics</b>	Work with a trusted global third-party logistics provider that has been empowering business growth for over 15 years. Our centralized marketplace connects you to the people, technology, data and capacity – full truckload, less than truckload (LTL), intermodal and other capacity or asset solutions – needed to take your supply chain further, faster.	Broker	National	Temp Controlled		Yes	Yes
<b>Crowley Logistics</b>	People who know Crowley, know our employees are among the most knowledgeable and customer-focused in the industries we serve. They appreciate that we go places and solve problems others can't. That we simplify the complex and make the routine more efficient. And, that we are committed to the success of their mission, project or supply chain. We invite you to explore our website and let us know how we may be of service.	Carrier & Bro	National	International		Yes	Yes
<b>Daylight Transport</b>	Ship coast to coast in 2 days at standard LTL rates. Impossible? Not with Daylight. For your long haul LTL shipments, we can be as fast as air, at standard LTL rates. Our normal is what other carriers call expedited. Your long haul freight gets there 2-3 days sooner. Consistently. Safely.	Carrier	National	LTL		Yes	Yes
<b>Echo Global Logistics</b>	Echo began in 2005 with one objective—to simplify transportation management. From coast to coast, dock to dock, and across all major transportation modes, Echo Global Logistics connects businesses that need to ship their products with carriers who transport goods quickly, securely and cost-effectively.	Broker	National	LTL	Yes	Yes	Yes
<b>EFW</b>	Whether it's air, ground, or ocean freight, we're able to deliver the most optimal solution for our clients every time. Our extensive North American and global coverage, unsurpassed service capabilities through our hybrid transportation network, and unique backing by Estes Express Lines differentiate us from every other freight forwarder.	Broker	National	International			Yes
<b>England Logistics</b>	Our diverse portfolio of services is designed to create convenient and reliable shipping options for many industries. Contracting with a nationwide network of quality carriers, our dedicated team of logistics professionals can handle your logistics needs. Whether it's a unique shipment or on the other side of the country, we will arrange an efficient shipping solution to have your load delivered timely and efficiently.	Broker	National		Yes	Yes	Yes
<b>Erb Group</b>	The Erb Group of Companies developed from a one-man company in 1959 to one that currently employs over 1,500 employees and owner/operators. Erb International Inc. is a primarily truckload operation covering 48 American states from our terminals in Canada. To anticipate and meet our customers' needs, we offer over 700 power units and 1000 refrigerated trailers.	Carrier	National	Temp Controlled	Yes	Yes	Yes
<b>eShipping</b>	Everything we do is approached from the mindset of continuous improvement. Our eShipManager® technology and optimization team members work collaboratively behind the scenes to optimize carrier rate programs and identify opportunities for immediate and long-term freight optimization including duplicate shipments, excess capacity, cross-customer lane capacity, backhaul opportunities, shipment frequency, and more.	Broker	National	Dry LTL		Yes	Yes

<b>Estes Express Lines</b>	Estes is the largest, privately-owned freight shipping company in North America. We've been providing reliable shipping solutions to our customers for ninety years. As an asset-based freight transportation and custom logistics solutions provider, Estes manages a fleet of more than 7,000 tractors and 30,000 trailers, as well as a network of 260+ terminals	Carrier	National			Yes	Yes
<b>FedEx Freight</b>	Connecting people with goods, services, ideas and technologies creates opportunities that fuel innovation, energize businesses and lift communities to higher standards of living. At FedEx, we believe that a connected world is a better world, and that belief guides everything we do. The Flagship Logistics Group journey began in 1991 and through years of dedication, striving for excellence and strong partner relationships, Flagship has grown into a top nationwide logistics provider for temperature controlled freight shipping to manufacturers, retailers and distributors in the food industry.	Carrier	National			Yes	Yes
<b>Flagship Logistics</b>	Flock Freight exists to make the freight industry a better place for shippers, carriers, and the environment. Our goal is to end the tug of war between shippers and carriers by giving shippers top-tier shared truckload service and helping carriers maximize revenue with multi-stop loads. The environment wins as well, with our guaranteed carbon neutral service: FlockDirect.	Broker	National	Temp Controlled		Yes	Yes
<b>Flock Freight</b>	Freightcom offers small, medium and large-sized businesses an efficient and cost-effective shipping solution based on deep shipping industry knowledge. Freightcom was founded in 2010 with a specific focus on the small parcel and low-volume LTL sectors. Since then, we have rapidly grown Freightcom into a world-class technology company offering innovative solutions with freight transportation services.	Broker	National	LTL	Yes	Yes	Yes
<b>Freightcom</b>	Freightquote was founded to create a better way for people and businesses to ship freight. There were countless carriers to choose from, but there was no way to compare them side by side. That meant you had to either spend hours online or on the phone, comparing rates and carriers, or just book with one carrier and hope you chose the best possible option.	Broker	National		Yes	Yes	Yes
<b>FreightQuote</b>	GDS Freight Provides a tech-driven, holistic international freight service that caters to your company's individual needs. We don't just take care of your shipments but provide an end-to-end, outsourced solution including customs clearance, Import VAT reclaim, and tax compliance services as well.	Broker	National	International			Yes
<b>GDS Freight</b>	GlobalTranz provides shippers of all sizes with fast and reliable transportation services across all major modes of freight. Reliable capacity, expert support, and technology-driven agility are some of the ways our customers benefit from partnering with GlobalTranz. Our transportation network includes over 120 best-in-class LTL carriers and over 50,000 active truckload carriers.	Broker	National			Yes	Yes
<b>GlobalTranz</b>	Grandview Enterprises, Inc. is a small long-haul carrier located in Vancouver, Washington operating throughout the continental 48 states (excluding California). We provide "for hire" freight services to haul temperature controlled or dry freight primarily to the east coast, and southern states.	Carrier	Regional	Temp Controlled		Yes	Yes
<b>Grandview Enterprises</b>							

<b>Gray Shipping Solutions</b>	Gray Shipping Solutions is focused on helping small and medium sized businesses- helping them be more efficient, eliminate unnecessary costs & increase business revenue. Whether your business is a startup or established, leveraging professional consultation & licensed freight brokerage services are essential for identifying opportunities to decrease overall transportation spend.
